

Dear Sir:

I was trained at the University of Chicago under Prof. Bob Goepp during 1972-1975. Dr. Goepp was the president of AAOMR a long time ago. I was also a member of AAOMR.

After I finished my resident training in Oral Pathology and Oral Radiology, I became an instructor at the University of Chicago for one year, and then transferred to Chicago Loyola School of dentistry as an assistant professor for 3 years. In 1979, I went back to Taiwan as the Dean of School of Dentistry, Kaohsiung Medical University (KMU). This is my 32th year service at KMU.

I'm serving my 2nd term as the President of Taiwan OMFR (TAOMFR). I was the founder of TAOMFR and served as the first president for 3 years (2000-2003). In 2002, we held the 4th ACOMFR (Asian Congress) at Kaohsiung and had wonderful meeting with unforgettable memories.

Finally, it is our great honor and pleasure to host the 2017 IADMFR at Kaohsiung.
