

Case Journal TAOMFR – Review Sheet

Manuscript ID: Cases Journal TAOMFR-2010-07 entitled "正子造影電腦斷層 (PET-CT)及其應用於頭頸部癌症之概論"

Comments to the Author

This article has been reviewed in detail. It is a review article and conforms to scientific theory.

But too many references are to be listed in this article. As a simple and short article, the reference had best limit to 30 that would be enough.
