

Case Journal TAOMFR – Review Sheet

Manuscript ID: Cases Journal TAOMFR-2014-1 entitled "**Metastasis of hepatocellular carcinoma into the mandible: A case report**" written by Ching-Yi Chen, Weng-Chen Wang, and Yuk-Kwan Chen

Comments to the Author

The authors of this submitted manuscript reported an uncommon case of hepatocellular carcinoma metastasis to the mandible with clinical, radiographic and histological examinations. This report would be interested to our readers of the society and add knowledge to our understanding of this disease.
